BEAUTIFULLY HAND-DECORATED \$10 DINNER SETS GIVEN TO OUR CUSTOMERS

## Absolutely Free

### What Time will the Clock Stop

BE AT FINLEY'S

at 3 p. m. Saturday, May 28, 1910, and you will know what time the clock stopped.

#### The Plan

With each Cash Purchase of One Dollar we will give you a card on which the time of day is stamped.

Bring the cards to Our Store on the date and time specified thereon, and a complete Dinner Set will be given to the person present holding card on which is stamped the correct or nearest correct time the clock has stopped.

For purchases less than One Dollar, we will give our small premium tickets, and when you have secured One Dollar's worth of them they can be exchanged for the Clock Tickets.

Parties holding one of our Venetian Ware punch cards, or our small premium tickets, can, if they desire, exchange for the Clock Tickets.

Clock tickets will be given for all purchases made with Barter.

Salespeople employed by us will be barred from this plan.

It is necessary for all ticket holders to be in our store at the time specified on the face of the ticket.

The clock stands in a conspicuous part of our store, the face covered, and will be allowed to run down at stated intervals.

If your ticket does not secure for you the Dinner Set the first time the clock is uncovered, save your ticket, as you may secure it the second, third, fourth, fifth, or sixth time. Your ticket is good while we are giving Dinner Sets Free on this plan.

#### SAWYERS' MILL.

Berry Jordan of Garfield is here on a visit to relatives.

Mrs. Joe Kee visited Mrs. Hattie Jordan Friday afternoon.

Dewey Lashlee, little son of Mrs. J. P. Jordan, has pneumonia.

Dave Thompson visited his sister, Mrs. Andy Beasley, last week.

Jake Deaton and children, who came in from Texas, will reside with Joe Cole.

J. D. Dond and family were called to Dollar last week by the death of Mrs. Lon Bond.

Some of our citizens replanted their beans, and if it continues cold they may have to plant again.

Wright Jordan raised a large crop of peanuts last year, and he says its paying him big money to feed them to his hogs instead of selling at 23 cents per bushel.

The Chattanooga Times, like the old Nashville American, stood for whisky all right two years ago, but it draws the line in strong terms on Patterson licensing his favorite to do murder.

This place was well represented at Hollow Rock Junction the first Sunday. If that place were to go under on one of these occasions, it would be "Good bye, Katie," to many Sunday picnickers.

There are many useful and desirable articles on the Ten Cent Counter at E. E. Fry's.

#### TEACHERS' INSTITUTE.

The Benton County Teachers' Normal and Institute will be held at Camden, Tenn., beginning Monday, May 23, 1910, and lasting four weeks. The first three weeks will be given to a teachers' review course, the last week will be given to Institute work and examinations.

Classes will be conducted in all subjects required to be taught in both the primary and secondary public schools, together with the Reading Circle Courses as outlined by the Reading Circle Committee. A State instructor has been secured and a competent corps of teachers will assist him in the work.

Examinations will begin Thursday, June 16, and close Saturday, June 18. By order of the State Superintendent, no private examinations will be held. Teachers attending fifteen days, or more, before the examination begins will be allowed a per cent on grades for this attendance.

No progressive teacher can afford to miss attending this County Normal, which brings him in touch with the latest methods of teaching and the general educational interests of his county.

We will send THE CHRONICLE and Nashville Daily Tennessean to any address one year for \$3.00.

#### FREE SCHOLARSHIP.

Free scholarships are to be given by Draughon's Practical Business College, Nashville, Tenn., to two students from Benton County. The applicants must agree that when they graduate and accept positions, which the college guarantees to secure, they will each pay 10 per cent of their salary each month, until scholarships are paid for, for two other worthy young men or women of this county.

Apply at once in writing to the editor of THE CHRONICLE, or to Kit Woods, Sheriff, or Martin L. Hardin, Superintendent of Public Instruction, who have been selected by Draughon's Practical Business College Co. to appoint the students for the two free scholarships.

Draughon's chain of thirty-eight colleges in sixteen States has a national reputation for thoroughness and reliability.

#### DIED IN OKLAHOMA.

News has been received from Oklahoma announcing the death of Mrs. Clara Williams. The diseased left here in early childhood, but a few years ago she came back on an extended visit a fair and beautiful woman.

She was the daughter of Calvin and Victoria McAuley, her mother having gone on before her about fourteen months ago. Her sweet little girls are left in the care of their grandfather, Calvin McAuley. We know not why God takes away this beautiful young life, but he always knows best.

But she has gone to that home above the sky, Where friends and loved ones never say good bye;

That home prepared for us above Where sorrow and death never come, and all is love.

We all know she has left a vacant place, But she has met with friends, face to face. Her toils of life are ended and gone, But she has gone to that beautiful home; She has laid aside earth's treasures and her burden down

For a beautiful home and a golden crown. Clara, sleep and take thy rest, God called thee home—he thought it best.

#### Deafness Can Not be Cured

by local applications, as they can not reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
